## Important Limitations under Section A – Cancellation or Curtailment Charges

Claims under Section A - Cancellation or **Curtailment** Charges are not covered for incidents arising directly or indirectly from any **pre-existing medical condition** known to **you** prior to booking any **trip** affecting any **close relative, travelling companion** who is not insured under this policy, or any person with whom **you** have arranged to reside temporarily whilst on **your trip** if:

1. a terminal diagnosis had been received prior to booking any **trip**; or
2. they were on a waiting list for or had knowledge of the need for, surgery, in-patient treatment or investigation at any hospital or clinic at the time of booking any **trip**; or
3. during the 90 days immediately prior to booking any **trip** they had required surgery, in-patient treatment or hospital consultations.

## Important Requirements- For Insured Persons with Private Health Insurance

If **you** have confirmed that **you** have Private Health Insurance which includes cover for overseas in-patient medical treatment up to a minimum of €55,000, this will be shown on **your** travel insurance certificate.

**Your** confirmation that **you** have Private Health Insurance in place means that **you** agree to the following:

1. **You** have a Private Health Insurance policy in place for the entire **period of insurance** of this policy.
2. **Your** Private Health Insurance policy covers each **insured person** on this policy for overseas in-patient medical treatment up to a minimum of €55,000.
3. **You** understand that if **you** are admitted into hospital abroad as an inpatient **you** must first claim against **your** Private Health Insurer up to **your** overseas benefit limit, before cover under Section B- Emergency Medical and Other Expenses of this policy will come into effect.

**You** have received a discount when **you** purchased this policy, therefore in the event of a claim for overseas in-patient medical treatment; there is no benefit payable until either **you** have reached the benefit limit of **your** Private Health Insurance policy or after €55,000, whichever is the highest.

### Reciprocal health agreements

As an Irish resident **you** are entitled to health care through the public system in countries of the European Union (EU), European Economic Area (EEA) and Switzerland if **you** become ill or injured while on a temporary stay there.

If **you** are travelling to another EU/EEA country or Switzerland, **we** strongly recommend **you** apply for and obtain a European Health Insurance card for yourself and/or family and make sure that any medical treatment is provided at hospitals or by doctors working within the terms of the reciprocal

health care agreement, unless AXA Assistance agree otherwise. If **you** are admitted to a private clinic **you** may be transferred to a public hospital as soon as the transfer can be arranged safely. If **you** are travelling to Great Britain or Northern Ireland **you** do not require a European Health Insurance card to obtain the necessary healthcare but need to provide proof that **you** are ordinarily resident in **Ireland** (in practice this means a driving licence, passport or similar document). If **you** are currently a VHI, Laya Healthcare, Aviva Health or other private medical insurer member **you** must notify the relevant private medical insurance assistance company at the time of claiming as per contact details below.
