## General conditions

### Claims

This insurance is not household buildings or a contents policy or an equipment maintenance contract. Home Membership is restricted to repairs where it is necessary to make the property safe and secure, or habitable, or to prevent further damage to your property. It complements **Your** household insurance policies, providing benefits and services which are not normally available under such policies. It is therefore a requirement of this policy that **You** have a **Home** insurance policy covering **Your Property** and a contents insurance policy covering **Your** possessions.

If any loss, damage or expense covered under this insurance policy is also covered by any other insurance or maintenance contract, **We** will not pay more than **Our** fair share (rateable proportion) of any claim.

This insurance does not cover normal day to day maintenance at **Your Home** that **You** should do. Nor does it pay for replacing items that wear out over a period of time or replacement of parts on a like for like basis where the replacement is necessary to resolve the immediate emergency.

**We** will only pay costs which are incurred as a direct consequence of the event which led to the claim **You** are making under this policy up to the policy limit of €2000 per insured event.

**You** must co-operate with **Us** in obtaining reimbursement of any costs **We** incur under the terms of this cover, which may have been caused by the action of a third party against whom **You** have a legal right of action.

No costs for repairs are payable under this insurance, unless **We** have been notified by **You** or a person calling on **Your** behalf through the 24 hour claims service telephone number provided and have authorised an approved contractor in advance.

Claims may not be made under this policy for the first 14 days other than if **You** are renewing an existing policy.

**You** must quote **Your** policy number when calling for help. **You** must produce the relevant identification including boiler service receipts on the request of the contractor or **Our** other nominated agent.

**We** reserve the right not to renew **Your** Home Membership Policy.

## Cancellation Rights

---

If this cover does not meet **Your** requirements, please return all **Your** documents within 14 days of receipt **of documentation** or policy inception, whichever is the later and providing no claims have been made. We will provide **You** with a refund for the period of cover that has not been used.

**We** may cancel this policy by giving **You** at least seven days notice at **Your** last known address. If **We** cancel the policy, **We** will refund the premium paid for the remainder of the current Period of Insurance, unless a claim has been made. We reserve the right to refuse renewal of any individual policy. If **You** wish to cancel your policy after the period has expired, we will calculate the amount of premium for the period **You** have been insured and will refund any balance after any transaction charge has been deducted. A refund will be allowed providing no claims have been made on your policy.

### If Inter Partner Assistance SA wishes to cancel

Inter Partner Assistance SA, or anyone they authorise, can cancel this policy by sending **You** seven days notice to **Your** last known address. **Fraudulent claims and statements:** If **You** or anyone acting on **Your** behalf makes any claim or statement knowing it to be false or fraudulent as regards, amount or otherwise, or if any loss or damage is caused by **Your** wilful act or with **Your** connivance, the **Authorised Insurer** will not pay the claim, all cover under this policy will cease and **You** will lose all premiums **You** have paid for this policy. In addition the **Authorised Insurer** may recover any sums paid by way of benefit under the policy. If **You** fraudulently provided false information, statements or documents the **Authorised Insurer** may record this on anti-fraud databases and may also notify other organisations.

## Relevant Law

This policy booklet is subject to Irish Law and the parties submit to the non-exclusive jurisdiction of the Irish Courts. The policy booklet, **Certificate of Insurance** and **Statement of Fact** represents the entire agreement of the parties on the matters in question.

## Parts Availability

Availability of parts is an important factor in providing emergency repairs. If our engineer does not carry the spare parts needed on the day of your appointment, we will do all we reasonably can to find and install parts from our approved suppliers. We may use new parts or parts that have been reconditioned by the manufacturer or approved third parties. We may not replace parts on a like for like basis but will provide an alternative suitable for containing the emergency. However there may be times when replacement parts are delayed because of circumstances beyond our control. In these cases we will not be able to avoid delays in repair; we will keep you informed throughout your claim. There may also be occasions where parts are no longer available. In these situations we will ensure your home is safe and if required, we will arrange for a manufacturer to provide you with a quotation for a suitable replacement item.

## If you need to make a claim and helplines

---

### Making a claim

  - The public transport system fails (including the road and railway networks and repairs to them); or
  - There are other problems which prevent someone gaining access to the **Home** or which makes providing the service impractical.
3. The **Authorised Insurer** will only pay the charges of repairers instructed by Us. The **Authorised Insurer** will not pay any claim unless **We** have given **Our** agreement, or if there is no one at **Home** when **Our** approved repairer arrives where an agreed appointment time has been made.
4. The **Authorised Insurer** will pay the claim subject to the terms exclusions and conditions of this Home Membership policy.
5. Repairers will only attend where an appointed adult of 18 years or over is present at the Home.
